New Jersey's 1st Healthcare Conference for the LGBT Community

Friday, Oct. 6

8 a.m. – 3 p.m.

Raritan Valley Country Club
Bridgewater

FREE (includes continental breakfast and lunch)

Join us to learn more about your health care rights and how to access the medical care you need. Our keynote speaker, Christina Ho, professor of law at Rutgers University, Newark Campus, will discuss health care coverage for LGBT individuals under the Affordable Care Act.

Other topics will include LGBT legal rights, intersectionality (the overlapping of different forms of discrimination), federal support services available to the LGBT community and the unique concerns of LGBT seniors.

Free blood pressure, cholesterol and glucose screenings. Vendor displays from LGBT friendly health care providers.
